

GROUP BENEFIT CONSULTING

We provide our clients with the knowledge necessary to understand all aspects of their employee benefits program. We believe that clients who know the facts are better equipped to confidently make decisions about their business.

Our core services include, but are not limited to:

- Quarterly claims review and report
- Claims trend reporting and review
- Plan design review, including cost containment proposal as needed
- Annual carrier renewal negotiation and client report
- Industry-specific trend reporting
- Funding arrangement reviews
- Due diligence audits for mergers and acquisitions
