

GROUP RETIREMENT CONSULTING

As specialists in group retirement planning, we act as Group RRSP and Pension Consultants. Together we can ensure your employees are prepared for retirement.

Our services include, but are not limited to:

- Retirement plan design that meets employee and company needs, as well as budget
- Plan implementation utilizing the proper partners, tools, and services
- Plan management in order to ensure that your plan continues to meet your needs
- Employee education on both the plan and retirement preparations
