

US, INTERNATIONAL & SPECIAL RISK INSURANCE

More Canadian employers are entering the international marketplace. International insurance requirements can be daunting and risky. Our International partnerships ensure that all advice and guidance is consistent with the standards our clients have grown to expect.

Our services include, but are not limited to:

- US and International employee benefit and retirement planning
- War risk and special insurance planning
- Expatriate insurance
- Provincial healthcare replacement insurance
- International travel insurance
- Due diligence audits for mergers and acquisitions
